

Be Modern Ltd. is a company driven by a strong sense of responsibility, not only to its customers and employees but also to the communities and environments in which it operates. Through our comprehensive **Corporate Social Responsibility Programme**, we have established a framework that integrates ethical practices, environmental stewardship, social contributions, and employee well-being into the core of our business operations. This approach reflects our commitment to creating a positive impact on society while upholding the highest standards of integrity and sustainability.

1: Environment

Certified to ISO 14001 standards, Be Modern Ltd. upholds environmentally responsible practices, focusing on pollution prevention, energy reduction, and sustainable material use. We use FSC Certified Timbers, robust recycling programs, and innovative waste management techniques like water recycling and biomass heat generation. We optimise transport efficiency and minimise fuel consumption, partnering with the Freight Transport Association (FTA) for best practices as well as utilising electric & hybrid fleet cars.

2: Social & Community

Be Modern Ltd. supports WAVES, aiding children and families with additional needs, and organises charity events and wellness challenges. We also sponsor local sports initiatives, such as our karate super star Josh, demonstrating our commitment to community well-being.

3: Ethical

At Be Modern Ltd., we are committed to upholding ethical standards and promoting equality in all aspects of our operations. As an Equal Opportunities Employer, we ensure that our hiring practices are fair and unbiased, providing equal opportunities to all individuals regardless of their background, race, gender, or other characteristics. This commitment extends beyond our workforce to our supply chain, where we adhere to a stringent Ethical Trading Policy. Through this policy, we prioritise working with suppliers who share our values of ethical conduct, fair labour practices, and environmental responsibility. By embracing these principles, Be Modern Ltd. fosters a culture of inclusivity, diversity, and ethical business practices, reinforcing our dedication to creating a positive impact on society.

4: Workspace

Prioritising health and well-being, designing inclusive products and supporting employee career development. Our comprehensive induction program ensures workplace safety, while our Employee Support & Wellbeing Hub offers 24/7 confidential support and counselling, reinforcing our commitment to a supportive work environment. By investing in health, wellbeing, and career development, Be Modern Ltd. demonstrates its commitment to creating a supportive and fulfilling work environment for its employees while delivering products that prioritise accessibility and ease of use for all customers.
